RUSSIA'S HOPE

Is In the Beginning of the Rainy Season

SHE TRUSTS IN THE ELEMENTS

Russian General Staff Draws Comfort From Reports of Rain

St. Petersburg, July 2nd.—The commencement of the rainy season will materially effect the whole military situation and greatly lessens the probability of an immediate decisive engagement between Kuropatkin and Kuroki and it will close the campaign in the upper part of Liao Tung peninsula until good weather sets in. The Japanese will probably be forced to hold the positions where the rain finds them as best they can. Operations around Port Arthur will doubtless be greatly hampered. It is believed the Japanese will find it necessary to establish another base, probably on the west coast of the lower part of the Liao Tung peninsula in order to bring in food supplies.

HOPE IN THE RAINS

St. Petersburg, July 2nd.—In view of reports of the heavy rains at the seat of war, the General staff think the Japanese advance on Hai Cheng has been suspended. Chinese say the rainy season has begun. The roads in some places are absolutely impassable. The Japanese have retired from Da Lin pass and are moving in a northeasterly direction on the Liao Yang road. They have appeared in great force at Fen Shui and Mollen Passes outflanking the Russian positions. The Russian eastern division continues to retire before the superior numbers but are keeping in close touch with the enemy.

TO-DAYS RACES

The prospects are of the brightest for another banner day in the history of the fair this afternoon. Crowds have remained over from yesterday to see the closing events of the big fair. The hotels are crowded, the streets this morning presented a scene of activity unsurpassed during the fair and all the signs are for a very large turnout for the races this afternoon. The sun smiled out this morning and the matchless weather of the past two days seems assured until the close of the exhibition. The day is hot with little breeze—another ideal day for racing.

The racing events of this afternoon include:

Free for all trot or pace, 1 mile, 3 heats in 5, purse \$1000.

2.40 trot and 2.45 pace, 3 in 5 heats, one mile.

Three year old trot or pace, 2 in 3 heats, 1 mile, hobbles barred, purse \$250.

Running, 11-4 mile open, purse \$400. Novelty race, 1 mile, \$50 to each quarter, purse \$200.

Gentlemen's road race, 4 wheeled race, horses owned in Edmonton, for horses that never started for public money, hobbles barred, owners up, no entrance; one-half mile heats, two in three. Cup valued at \$100.

The free for all promises to be the big event of the fair. There is a long string of horses at the grounds of speed sufficient to warrant their entry and the chances are that the victors this afternoon will see the greatest race of the meet.

White Enamel and Brass Beds, Youths' Beds, and Children's Cribs. We are showing a larger range and better values than ever before. A very nice design white enameled bed, brass trimmings at \$4.00. We have unloaded five cars of furniture since April 21st. You can depend on getting the latest stocks, and the best values at

Going for Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Don't put yourself in this man's place, but keep a bottle of this remedy in your home. There is nothing so good for Colic, Cholera Mortus, Dysentery and Diarrhoea. It is equally valuable for Summer Complaint and Cholera Infantum and has saved the lives of more children than any other medicine in use. When reduced with water and sweetened it is pleasant to take. You, or some one of your family, are sure to need this remedy sooner or later and when that time comes you will need it badly; you will need it quickly. Why not buy it now and be prepared for such an emergency? Price, 35 cents.

RECORD-BREAKING CROWD

Ten Thousand People at Least on the Grounds Yesterday
Good Races. Great Fireworks Display

The second day of Edmonton's big fair was as great a success as the first.

The fine weather of Thursday was maintained yesterday though the heat was less oppressive.

As anticipated the crowd yesterday surpassed all previous records. It was estimated that the number on the ground during the afternoon reached ten thousand. As many estimates were higher than this it is considered sufficiently conservative. Early in the day the people began to arrive from the country and they came steadily until long after noon. During the early afternoon processions of carriages conveyed thousands to the grounds, while an unbroken stream of holiday seekers extended from the gates to the top of the hill on Second street. As the day was a national holiday, commemorating the confederation of the provinces of the Dominion, the business houses in the neighboring towns were closed and crowds were present from Strathcona, St. Albert and Fort Saskatchewan. Special trains were run on the E. Y. & P. for the accommodation of the visitors from Strathcona, returning in the evening after the fireworks display.

THE RACES.

Early in the afternoon the grand stand was taxed to its utmost capacity, while the space within the fence in front of the stand was packed by those unable to obtain seats. It was found necessary to permit a large number to cross the track and find room on the inside of the course. This relieved matters considerably, but throughout the entire afternoon the stand was packed and large numbers stood within the fence. Outside the grand stand enclosure the line of spectators along the fence reached fully two thirds of the distance around the course.

The first race on the program was the 219 trot and 223 pace. The first two heats were won by O. C. with Alvolio third in the first and second in the second. As the time for the

two heats was 2:27 and 2:27 1-4 respectively and Alvolio had paced the distance in 2:23 on the preceding day the judges became convinced that the horse was not being driven out and removed the driver, putting James Graham of Fort Saskatchewan in the seat. The plucky little horse showed the benefit of the change by winning the next two heats in 2:23 and 2:25 3-4, though each heat was a race to the wire between he and O. C. In the fifth heat O. C. after a hard race showed her nose under the wire ahead of him in 2:25 1-4, winning the heat and the race. Second place in the race went to Alvolio, Sandy never having a chance for anything higher than third money.

The 3-4 mile dash, open, was won by Abanetta, with Young Marlowe second and O'Day third in 1:18. In the quarter mile pony race Dunty Hen won first, Fieldmaid second, and Babe third.

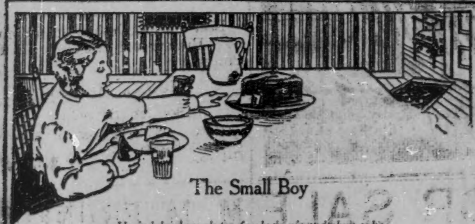

Glideway Junior won the 3 minute race, with Dan Patch second and Joe Wilkes third, the time for the heats being 2:30 1-4, 2:27 1-4, 2:30. Three drivers in this race were fined for scoring ahead of the pole horse, amid the plaudits of the spectators.

BASEBALL TOURNAMENT.

In the baseball tournament yesterday morning, Wetaskiwin got away with Strathcona to the tune of 12 to 2. Last night Wetaskiwin and Fort Saskatchewan played the best game of ball seen here this season, Wetaskiwin winning by a score of 5 to 4. From the start the game was fast, and the fight was sustained to the end of the ninth innings. W. Jackson refereed the game.

The teams lined up as follows: Fort Saskatchewan: Atkinson, Simons, Steeves, Sotter, Samis, Sword, Simens, White and Schultz. Wetaskiwin: Gouche, Nelson, Richards, Price, Currie, Feliand, Bonneyman, Barrett and Pitman.

Continued on Page Five.

The Small Boy

He indulged much too freely in pie and plum cake,
And during the night how his "tummy" did ache,
They ran for the doctor, who knowing the fault,
Without hesitation prescribed "Abbey's Salt."

Mothers, who want their children to grow into sturdy men and women instead of pale, sal-low dyspeptics, should see that the youngsters take a morning glass of ABBEY'S SALT. Children eat irregularly—indiscreetly. ABBEY'S SALT strengthens the stomach—regulates the bowels—so that "pain-killer" and "oil" are never needed. So pleasant to take, that mothers have no trouble in teaching the children to use it.

Abbey's Effervescent Salt
Saves Children Many Pains

CANADIAN ORDER OF FORESTERS

To the Editor.

The organizing agent of the above order is now in Edmonton staying at the Alberta Hotel and he hereby sends greeting to all Canadian Foresters in the town and district and a hearty invitation for all such to call and see him for consultation with a view of organizing a Canadian Order of Foresters at Edmonton. Bro. Kershaw has been forming committees all through B.C. and the last place he visited and established a lodge was at Strathcona, and he hopes with your prompt attention and co-operation to be able to institute one right here. Members from other courts are invited to join, and all those who are seeking safe insurance at a cheap rate, including accident and sick benefits, may now become charter members of this popular fraternal order. All particulars will be freely and willingly given and all inquiries made welcome. Therefore when you read this notice act promptly and oblige. Yours in L. B. & Council.

BRO. HENRY KERSHAW,
Organizer C. O. Foresters.

D-152-151-pd

TENDERS WANTED.

Tenders addressed to the undersigned will be received up to and including Monday, July 2nd, at six o'clock for the construction of a Methodist church on Kinistone avenue. Plans and specifications may be seen at the pastor's office in MacDougall church. The lowest or any tender not necessarily accepted.

THAS. H. HUERTS,
Superintendent.

The score by innings was:—
Ed. Saskatchewan—0 0 0 0 4 0 0—4
Wetaskiwin—0 1 0 0 0 2 0 2—5.

The game decided the question of first money, \$100, which goes to Wetaskiwin.

FIREWORKS DISPLAY.

The fireworks display last evening was on a much more elaborate scale than on the preceding evening. Beside the usual features representations were given of Niagara Falls and the bombardment of Alexandria. These were excellently done and drew forth the applause of the audience. The grand stand was well filled by spectators.

The display started with the sending up of five fire balloons with fireworks of various kinds attached. Then followed showers of rockets, shells of various kinds, mortars, designs, fountains, wheels, etc. The concluding design was the bombardment of Alexandria. This historic scene was well represented and was roundly cheered by the audience. The outlines of the fort and the British fleet were shown, the flying rockets representing the missiles while the explosion of large shells well counterfeited the roar of the heavy guns. Finally the Condor is seen creeping under the guns of the forts where she cannot be reached by their shells. A few more shots and the large forts are on fire, the airplanes blow up and the battle is over.

NOTES OF THE FAIR.

An effort is being made year after year to give every facility for the sale of stock and other exhibits on the grounds. The intention is to enable the farmers who meet here to not only see each other's exhibits but get together in a business way if they so desire.

Among the cattle exhibits Mr. Jas. Tough has his herd of twelve Herefords, headed by a bull which won first at Winnipeg last year. Mr. Tough has added several fine animals to his herd this year and now has a herd 13 to be shown any place selected from the best herds of England, the United States and Canada.

THE ATTRACTIONS.

As on the preceding day the attractions were prime favorites with the audience and were certainly the best yet put on here. The acrobatic feats are new, daring and interesting while the trick bicycle riding never fails to bring applause. The wheelman certainly has been there before and the dexterity with which he takes the machine to pieces and rides any portion which has a wheel attached excites the wonderment of the crowd.

TODAY'S EVENTS.

The stock parade took place at eleven o'clock today and the stock is being removed from the grounds this afternoon.

The \$1,000 free for all is the first race this afternoon and a large crowd will doubtless be present.

Port Saskatchewan and Strathcona were to play for second money in the baseball tournament this morning, but the Port boys, considering that they had already won, refused to play.

A Winnipeg contractor was arrested for obtaining money under false pretence.

A gasoline launch exploded on Lake Minnetoka, killing and wounding many.

Robert C. Dunn was nominated by the Republicans for the governorship of Minnesota.

The Brantfords lost the first game against the Montreal Shamrocks in the Minto cup series.

Winnipeg, two games; Duluth and Grand Forks were the winners in the Northern League yesterday.

Dominion Day was loyally observed in all parts of Canada and by Canadians in Britain and the U. S.

The annual plowing match of the North Cypress Plowing Association was held near Carberry, Fifteen hundred persons attended.

The Dominion Day banquet in London, England, was a most successful affair and was attended by many important personages in the national life of Britain and the colonies.

THE EXHIBITS.

We are compelled to hold over a lengthy description of the exhibits in the Agricultural Hall and of the stock exhibits on account of lack of space. A short reference, however, is in order. Never before in the history of Edmonton's exhibition did the Agricultural hall present such a splendid appearance. Entries are numerous in every class and the judging was necessarily very keen. One particularly striking feature in the hall is the store displays, which this year have been attempted on an extensive scale. The stock on display this year are in splendid shape and in each class are numerous entries.

A full report of these two very essential features of the exhibition will be given in Monday's Bulletin.

Originators, not Imitators

Sir Wilfrid Laurier in the House of Commons:

"After having been eight years in office, I think I can say in the presence of friends and adversaries that we have not been imitators; we have been ourselves. We have not walked merely in beaten paths; we have hewed out our own way. We have altered our policy according to the difficulties that arose, and we have endeavored to solve the problems as they presented themselves to us, not by the application of antiquated formulas that had been in vogue in older communities, but we have framed a policy that would be applicable to our own conditions, and our own circumstances. In the first budget speech which was presented to this House by the Minister of Finance we introduced a preferential tariff. We did not imitate any other nation; we originated it. We adopted a policy which we thought suited to our condition, both as a colony and as a young nation, believing it to be in accord with sound economic conditions. We adopted a policy which we thought would advance Canadian trade with Great Britain, our mother country, and which at the same time would afford considerable relief to the Canadian consumer. A year ago we imposed the German surtax. In doing so we did not borrow legislation from other countries; we devised a remedy which we had reason to believe would compel a powerful nation to give us fair treatment, which that nation denied us, or, at all events, would force him to respect us. This year again in order to meet a modern evil which has resulted from new methods of highly protected countries we have invented a policy which we have every reason to believe will prove entirely effectual. As it was in the past so it shall be in the future, we shall face any difficulties we shall face any problems that arise, and we shall endeavor to settle them by ways and means altogether Canadian in their conception and altogether Canadian in their character."

The G. T. P. Terminus

Vancouver Province:

What purports to be a straight tip lot from headquarters concerning the British Columbia terminus of the Grand Trunk Pacific is whispered in Vancouver to-day.

It is rumored that the terminus selected will be named in about three months time and it is agreed that from reports recently received from the East that Kitimat will most likely be the chosen place.

In connection with the report there is a statement that the Grand Trunk Pacific has commenced negotiations with Alfred Holt & Co. of Liverpool, operating the Blue Funnel and White Collar lines from the United Kingdom to this coast via the Orient, for the establishment of oriental connection with the Grand Trunk Pacific terminus on this coast. As it will be a matter of several years yet before the Grand Trunk has through transcontinental connection to tidal waters on the British Columbia coast it is presumable that the dealings with Alfred Holt & Co. will not by any manner of means be hurried. Inquiry locally regarding the reliability of the report concerning the "sister" connection was not fruitful of results for the reason that any negotiations opened would be directly with the headquarters of the line in England.

Surveyors who are acquainted with the topography of the country in the neighborhood of the valley of the Skeena River are agreed that it is extremely unlikely that the Grand Trunk Pacific would at great expense run to Port Simpson, when at comparatively small cost they could branch off from the Skeena Valley and run down to Kitimat at or near Kitimat. In the event of Kitimat being chosen as the terminal point of the railway forming a connection of the railway with the Orient would pass to the southward of the Queen Charlotte Islands, rounding Cape St. James, when making the coast and entrance to Kitimat would likely be by way of Douglas channel.

Edmonton Marble & Granite Co.

Having purchased the business heretofore carried on by Halladay & Halladay under the above name, we purpose putting in a first class stock of granite and marble suitable to the needs and requirements of Edmonton and surrounding district.

We solicit your patronage on the merits of our work and fair dealing, and trust to please you even better than has been done in the past.

We will be pleased to quote prices on anything in the granite and marble line, from monuments down to the smallest article.

The Happy Combination
"Two in One" Shoe Polish

The best polish ever made for Ladies' Shoes, because it shines quick as a wink, keeps shoes like new patent leathers, and WON'T SOIL THE CLOTHING. It's A Paste—that shines quicker—hold its gloss longer—and makes shoes wear longer—than any liquid-and-paste polish. It keeps ladies' fine shoes soft and easy—prevents them from cracking—feeds the leather—keeps it damp-proof and water-proof.

At all Dealers. In 10c and 25c boxes and 15c Tubes

PROGRAM OF THE FAIR

—T. Daly of Clover Bar who won the medal yesterday for the display of five bushels of oats has won the same honors for the past three years.

—A special this morning brought up a crowd of Calgary people who were at Red Deer yesterday at the ball game between Calgary and Red Deer.

—Calgary, N. W. T. June 30th.—A three year old Danish boy named Axen discovered a bottle of carbolic acid on the prairie yesterday. He sampled it and died in the hospital last night.

—G. Doze, postmaster at Beaver Hills came in yesterday to attend the fair. On and after July 4th his post office will have a semi-weekly service from Fort Saskatchewan on Monday and Friday.

—During the Calgary Fair the Women's Hospital Aid Society of Calgary, will furnish lunch on the grounds and will be in a position to accommodate passengers direct from the train.

—Calgary Board of Trade had a conference recently with E. W. Peters and W. B. Langan, and secured an extension to Calgary of the wholesale trading section as far as Kootenay Landing. The board did not make a grant to the Western Canada Immigration Association.

—Free Press: Commercial travellers who have returned from trips into the country, while unanimous in their praises of the magnificent promise of a beautiful harvest held out by the present appearance of farm lands, are just as united in their vituperation of bull dogs and mosquitoes.

—Free Press: Mr. Jas. Kent, manager of telegraphs, C. P. R., arrived from Montreal this morning and proceeded west accompanied by Mr. B. S. Jenkins, general superintendent. An inspection of western lines will be made and the British Pacific cable station at Bamfield, Vancouver Island, will also be visited. Mr. W. J. Camp, electrical engineer, is also with the party.

AT THE OPERA

THE MIKADO

The Beggar Prince Opera company gave a splendid presentation of Gilbert and Sullivan's popular comic opera The Mikado in the skating rink theatre on Thursday night. Space prevents an extensive criticism of the performance. The company have been providing delightful treats for the people of Edmonton this week and on this occasion they surpassed themselves. F. W. Walters as Nanki Poo, and G. B. Bront as Poo Bah were splendid. F. A. Wade took the part of the Mikado of Japan and took it well. Stanley Feich as Ko Ko, Lord High Executioner, was irresistibly amusing, drawing the puns of the house on his every appearance. Perhaps the daintiest parts of the whole opera were those taken by the three wards of Ko Ko. Miss Palmer, the leading lady, as Yum Yum took a beautiful part beautifully. Gertrude Hutcheson as Pitti-Sing took her part exceptionally well. The costumes and stage work were by far the daintiest and prettiest yet seen here. The company scored a great success in The Mikado and deserve a crowded house to-night.

OLIVETTE

The Beggar Prince Opera company scored a great success in their presentation of Olivette at the rink theatre last night. The counter displays on the exhibition grounds doubtless kept many away but the audience although not as large as on previous nights, was a thoroughly appreciative one.

The cast of characters was:—

Duke Des It's, a conspirator

..... F. A. Wade

Cocquelot, the Foster Brother

..... Stanley Feich

Capt. De Merrimac, G. Byron Bront

Valentine, his Nephew .. F. W. Walters

Marcel, the Seneschal .. W. Burgess

Countess De Rouillon ..

..... Gertrude Hutcheson

Olivette, Seneschal's Daughter ..

..... Veloutine, her maid .. Ethel Houston

Mostique, Captain's cabin boy ..

..... Frieda Tittle

Villagers, Scourters, Sailors, Etc.

The opera affords great opportunities for fun making in which Stanley

Feich as Cocquelot took the leading

part. Mr. Feich is a comedian of very

high merit and a ripple of delighted

expectancy passes over the audience at

his every appearance on the stage.

Irene Palmer, as the Seneschal's

daughter, took an exceedingly pretty

part and took it to perfection. Miss

Palmer's pretty stage appearance adds

greatly to the effectiveness of her

playing. Gertrude Hutcheson as the

Countess De Rouillon played her part

splendidly. So natural is her make-up

that it is the real Countess in real

life. Ethel Houston, as Veloutine,

Miss Palmer's maid, and Frieda Tittle

as Mostique, the captain's cabin boy,

took everything possible out of the

minor parts they played. Will Burgess

was seen to advantage as Marcel,

the Seneschal while F. A. Wade as

Duke Des It's, a conspirator, played a

rather difficult part very creditably.

F. W. Walters played Valentine, the

lover of Olivette. He is a great favorite

with the audience and handles this

very prominent part to great advantage.

Perhaps the most difficult acting of the evening was that of G. Byron Bront as Captain De Merrimac, the bluff old sea captain, who wished to make little Olivette his wife. The captain was not a favorite with the audience but his acting was of a very high order.

One of the prettiest parts of the whole opera was in the third act when the ladies of the play in their yachting costumes sang the lovely song or song and chorus, the Torpedo and the Whale.

To-night the company present the comic opera Girofle-Girofla.

THE BULLETIN

AT THE FAIR

During Edmonton's Big Fair the Daily Bulletin will be published early in the afternoon and will be for sale by news boys on the grounds by 2 o'clock.
